PMBA 120th Annual Meeting
July 23rd, 2005
First Baptist Church, Clemmons, North Carolina

Pre-service music began at 12:45 pm.

The 120th session of the Pilot Mountain Baptist Association was called to order at 1:00 pm by moderator, Nathan Parrish. (See order of service)

Robby Phillips, pastor of FBC, Clemmons, welcomed all in attendance and offered an opening prayer.

The congregation joined together to sing a melody of cherished hymns, "Majesty", "The Solid Rock", and "I Am Thine, O Lord."

Glendora Epperson led the assembly in reading the scripture in unison from Hebrews 10:19-25.

Theme interpretation was presented by Jim Hamblen. The theme for the work of the Pilot Mountain Baptist Association during this past year has been, "Continuing the Journey," using the text we previously read. The theme that will be recommended for next year will be, "That We May Be One."

Jim stated that like Moses he had been to the mountain top and seen the bright future ahead for the PMBA.

I know that another Associational Missionary will come and lead you to even greater successes and accomplishments than we have ever seen and experienced in these past two decades…As I depart from our formal relationship as your Associational Missionary, I will not lose relationships or the memories that have meant so much to me…Special words that I leave with you as we both commit ourselves to "Continuing the Journey" although it may be on different tracks…

Every priest goes to work at the altar each day, offers the same old sacrifice year in, year out, and never makes a dent in the sin problem. As a priest, Christ made a single sacrifice for sins and that was it! Then He sat down beside God and waited for His enemies to cave in. It was a perfect sacrifice by a perfect person to perfect some very imperfect people. By that single offering, He did everything that needed to be done for everyone who takes part in the purifying process.

The Holy Spirit confirms this: " This new plan I'm making with Israel…isn't going to be written on paper, isn't going to be chiseled in stone; This time "I'm writing out the plan in them, carving it on the lining of their hearts."

Once sins are taken care of for good, there's no longer any need to offer sacrifices for them.

So friends, we can now—without hesitation—walk right up to God into "The Holy Place." Jesus has cleared the way by the blood of His sacrifice, acting as our priest before God. The "curtain" into God's Presence is His body.

So let's do it!—full of belief, confident that we're presentable inside and out. Let's keep a firm grip on the promises that keep us going. He always keeps His Word. Let's see how inventive we can be in encouraging love and helping out, not avoiding worshipping together as some do but spurring each other on, especially as we see the Day of The Lord approaching.

From the text I gleaned five admonitions as my "farewell address" to you…

1. *Let us go in…Let us be sincere in heart…Let us be filled with faith…Let us be free from any bad conscience….(NJB)*
    a. *Continue to draw near to God with sincere hearts and full assurance of your Faith/Commitment…*
2. *Let us keep firm in the hope that we profess…(NJB)*
    a. *Keep on holding to the hope that you profess…do not waver…*
3. *Let us rouse one another to love and good works…(NAB)*
    a. *Continue to consider [be concerned for] one another in order to stimulate each other to love and to active goodness…*
4. *Let us not stay away from our meetings…(REB)*

a. *Do not neglect meeting together from time to time…*

5. *Let us encourage each other…(NJB)*
    a. *Keep on encouraging each other…in the Cause of Christ…and in God's Kingdom Work*
6. *And finally, although not in Scriptures…*
    a. *Let us move into our bright new future with the knowledge that God's at work here in our hearts and our lives…*

Jim concluded by reading the speech given in Memphis by Dr. Martin Luther King, Jr.

"The Promised Land"

Well, I don't know what will happen now.
We've got some difficult days ahead.
But it doesn't matter with me now...because I've seen the mountaintop.
And I don't mind.
Like anybody, I would like to live a long life.
Longevity has its place.
But I'm not concerned about that now.
I just want to do God's will.
And He's allowed me to go up to the mountaintop.
And I've looked over.
And I've seen the Promised Land.
I may not get there with you.
But I want you to know tonight, that we, as a people will get to the Promised Land.
And I'm happy, tonight.
I'm not worried about anything.
I'm not fearing any man.
Mine eyes have seen the glory of the coming of the Lord.

At this time, Jim lit the candle to represent God's presence with us.

Today represents Jim's 22nd annual meeting since coming to the PMBA October 18, 1983.

Luke 9:51 was read by Pastor Maged Basily, Friendly Arabic Church, a new church plant co-sponsored with the Piedmont Baptist Association. The church is located in Kernersville.

Paul Mullen led in a time of remembrance and memorial of Muriel Rice. Muriel was married to her husband, Ron, for 53 years. He passed away in 1990. She loved family. She was a mother of three children; she had six grandchildren and eight great grandchildren. Each life she touched was made better. She was a recipient of the **Volunteer of the Year** award presented by Senior Services. She spoke the truth, was a faithful companion, was tough and tender, and enjoyed a good laugh. She was a kind, caring, and outgoing woman who was always there for you.

As we stood in silence to remember our dear sister, Paul Mullen led in prayer.

We enjoyed special music, "Revival" presented by the First Praise Assembly.

Cecil Cave of the Membership Committee addressed the gathering with an update regarding East Davie Baptist Church, a new congregation presented in 2003 to come under the watch care of the PMBA. The committee regrets to report that this congregation has recently disbanded.

Nathan Parrish recognized special guests in the assembly that were non-PMBA related.

Joyce Love read from Col. 3:12; "…clothe yourselves with kindness." Our most important responsibility is to care about others, to befriend the friendless. Joyce informed the congregation about the many opportunities available in our association for missional service.

- Fair Ministry: Bag meals, drinks, blankets, personal items, Bibles, medical/dental van
- Toy Store: Sharing love with grace and dignity, served 394 children, 190 families, gave 13 families additional help with food, rent, heating oil, etc.
- Belarusisan Children: 12 years of touching children's lives, this year we were told to emphasize the sharing of the gospel, this ministry costs money, but what is the cost of salvation, one girl was baptized this summer at Green

Meadows, we are in essence sending missionaries back to Bella Russia, whole families have been changed, one child will have surgery next year to repair a hold in their ear drum.

Lena, the chaperone and interpreter with the group this year, presented a gift to the PMBA. She expressed her gratitude for giving these children six weeks away from the radiation they live with at their home. She thanked everyone for the time, effort, and energy it takes to have the children here. Lena stated that she would love to have us visit their country.

Charlie Martin read scripture from Acts 1:8. He expressed appreciation to those who organized MissionFest/FamilyFest. He then asked all who had participated in missions internationally, in North America, in North Carolina, and in the PMBA to stand. All were applauded for their service.

Will Plitt, pastor of Summit 121, spoke about leading his church to be a *church without walls*. He believes God and His word is not timeless, but timely. He then read Psalm 98 and states that it is written to remind us, challenge us, and convict us. "Our time is short and limited—make wise use of our time"

David Coburn reported from the Finance Committee (report attached). For the year 2004, the PMBA received a clean report on the audit. We are in process of asking contributors to the Jim Hamblen fund to release those monies for local missions.

Reuban Gillian introduced the **Jim Hamblen Offering for Local Missions and Ministries**. We are to begin at home (locally) and go out. The purpose of this offering is to make sure there is money available to make things happen in local missions and ministries.

Robby and Claudette Phillips offered a wonderful song, "The Strength of the Lord."

Scripture reading of 1 Philippians 1:49 was offered by Aldo Barcelo. Aldo is working with Southside Baptist Church, to reach out to the Hispanic community surrounding them.

David Benton, chair of the Annual Meeting Committee, brought a recommendation that the theme for the 2006 Annual Meeting be "That They May Be One." The scripture emphasis will be from John 17:22-23. The meeting will be held on July 22, 2006, at First Baptist Church in Stanleyville. This motion, presented on behalf of the Annual Meeting Committee, needs no second. Nathan Parrish called for a vote. The motion carried unanimously.

Keith Snow, chair of the Enlistment Committee, presented the Enlistment Committee report, see attached list. Since this motion comes from a standing committee it needs no second. Nathan called for a vote to accept the Enlistment list as received, the motion carried unanimously.

Bill Ireland, chair of Personnel, recognized Associational Missionary Jim Hamblen. Bill stated that the Personnel Committee had two primary obligations: (1) to launch the process to find the next Associational Missionary and (2) to find a way to appropriately express our best wishes to Jim for his 22 years of service. There is no way to adequately thank Jim for all he has done, nor to adequately thank Beverly for all she had given up.

- Bill Ireland presented the Book of Memories, a check for $10,000, and expressed thanks for the special joys through Jim's ministry. He invited everyone to an open house next week at the PMBA.
- Bill and Jim signed a covenant whereby Jim willingly pledges to hold himself accountable to the Personnel Committee for specific things as listed on the covenant (see attached).
- Jim expressed his thanks and asked God's blessings on everyone.
- Joyce Love presented Jim and Beverly with a quilt made by the quilt ministry at Clemmons First Baptist Church.

Maurice Briggs, chair of the PMBA Associational Missionary Search Team, reported that the committee is in stage two of stage 4 of the process.

Stage 1: Listening Phase
Stage 2: Formulation of the desired profile
Stage 3: Actively interviewing persons
Stage 4: Recommendation to the Association.

Maurice asked for prayer for the committee and for honesty. He asked everyone to use the web site, write to the committee, and contact committee members to talk and offer suggestions. Maurice then led in prayer for the person of God's choosing.

David Coburn recognized the corporate officers of the association, leaders about the kingdom work. The towel is the symbol from the upper room where Jesus washed other's feet. These officers are servants to the association. In his last roll of a four year journey, David presented the following for the 2005-2006 officers:

Nathan Parrish – Past Moderator
David Benton – Moderator
Nolan Lawson – Vice Moderator
Sandra Sewell – Clerk
John Woodard – Historian
Joyce Love – Ministries Development Team
Charles Martin – Congregational Leadership Development Team
Ty Talton – Treasurer, Finance Committee Chair
Dewitt Rhodes – Assistant Treasurer, Finance Committee Vice-Chair

David reflected his joy to work with these leaders and looks forward to more years in other roles. David then led in prayer asking the Father to bless these leaders who have been installed.

David gave a challenge to commitment. We are to continue the journey. He then offered an invitation to come and pray.

David Benton offered the benediction at 3:30pm.

Respectfully Submitted,

Sandra M. Sewell, Clerk

Annual Meeting Committee

The 120th Annual Meeting was held at Clemmons First Baptist Church on July 23, 2005 with a theme of "*Continuing the Journey*" which was based on Hebrews 10:19-25.

A new event was added to the 2005 meeting...a *Missions Fair*. This was held from 10:00 AM – 12:45 PM just prior to the lunch. This was an effort to recognize, affirm, and appreciate the importance and significance of each church of the Pilot Mountain Baptist Association by providing a venue where they could tell of their ministries in their communities. Some areas of mission and ministry agencies, as well as some of the ministry teams of the Pilot Mountain Baptist Association also provided displays and representatives to promote their ministries. From 11:30 AM – 12:45 PM a hamburger/hot dog lunch was serried by Clemmons First Baptist Church Food Staff.

During the Annual Meeting which was called to order promptly at 1:00 PM, Jim Hamblen, Associational Missionary brought the Theme Interpretation. This was his last official duty as he retired as of July 31, 2005. David Coburn, Moderator, brought a Challenge of Commitment at the close of the meeting. In addition to reports from the Pilot Mountain Baptist Association Ministry Teams, special recognition was given to Jim & Beverly Hamblen.

Our evaluation of the 120th Annual Meeting was held in August and was noted our blessings and challenges from the Annual Meeting.

Financial Report

The release of funds from the Local Missions and Ministries Endowment took place this year and a methodology for work units to request funding from this account was worked out. A retirement gift in the amount of $9,411.15 was received from Pilot Mountain Baptist Association Congregations for Jim Hamblen; the full $10,000 was transferred electronically to Jim's

GuideStone account (per his suggestion) on his retirement date...July 31, 2005. Bobby Stafford was brought on as the Interim Associational Missionary effective October 24, 2005.

The Finance Committee is responsible for securing the outside audit for the Pilot Mountain Baptist Association. A copy of the Audit Report from Gray, Callison and Company, P>A., is on file in the PMBA Resource Center.

Membership Committee

This committee was relatively inactive during this period as there were no formal requests for membership into the Pilot Mountain Baptist Association.

Regretfully East Davie Baptist Church, which was received into watch care at the 2004 Annual Meeting, was removed from our records as the congregation decided to disband. The committee did adopt a Procedure for Membership and a Flow Chart of the process to help provide some uniformity and clarity to the membership application process.

Bible Teaching/Reaching Team

This team held a Sunday School workshop and participated in a Vacation Bible School Clinic where various curricula were displayed. The team also worked in conjunction with Central Triad and Piedmont Baptist Associations for a Mission Triad Sunday School Conference held at Green Street Baptist in High Point, NC.

Later on the team decided to change its focus from a "Come one, Come All" workshop format to a personal visitation system whereas a team member visited the PMBA churches and talked with the Sunday School Director of each church to tune in to their specific needs. Churches were responded positively to these visits.

Mervin Garrison, Chair

Personnel Committee

In late 2004, Jim Hamblen, Associational Missionary, announced he would retire at the end of July, 2005. Jim's announcement prompted us to organize a committee to assist Jim in making the transition to retirement and to plan for this retirement celebration. The Personnel Committee also provided direction in the formation of a search team for Jim's successor.

At the annual meeting, the Personnel Committee presented Jim a love offering in the amount of $10,000.00 and also formally signed off on a covenant detailing Jim's relationship to the Association. A retirement dinner and celebration was held in Jim's honor at First Baptist Church, Stanleyville.

Dale Harlan, Congregational Missionary, accepted a call to become the pastor of Hillsdale Baptist Church in Advance. The Personnel Committee accepted Dale's resignation with regret and our best wishes for his success.

The Personnel Committee recommended the call of Bobby Stafford as the Interim Associational Missionary from October, 2005 through July, 2006.

Bill Ireland, Chair

Many items concerning the up-keep of the PMBA Resource Center was resolved during this period.

Congregational Leadership Development Team

Mission Statement: *"To serve as a catalyst through encouraging and equipping churches to participate in a Christ-centered process resulting in the development of qualified, effective and committed Christian leaders"*

This period of time was one of change and transition in the association...not only did it render a change of executive leadership but a subtle shift in this teams approach to ministry. This team has continued to assemble quarterly during the Coordinating Council meetings to report, evaluate and plan how it might best serve the churches of the association. During the course of this period the various teams planned, promoted and facilitated a number of activities designed to enhance the development of effective leaders among the membership of our local churches. Those opportunities included events such as: Sunday School and Vacation Bible School leadership training, Children's Bible Drill competitions, Spiritual Formation retreats, music training workshops, seminary extension classes and minister conferences.

In addition to sponsoring training events this team strived to make available to our churches some of the more recently produced leadership resources.

Also with rapidly changing times it had become apparent that the methods of assisting churches in developing leaders also had to change. ..so this team began its work on adapting techniques to more efficiently "networking" our services to the local churches while minimizing the amount of time and money our church members must invest in traveling to and attending meetings.

"God's great command is not **DO** but **BE**!"

Many times we are called on to do a lot of busy work and many times it is good which craves simplicity only having the answer lay not so much in changing our lives, as it is in changing ourselves. God calls us to share His peace and love with others and to BE His hands and feet in our community partnerships through the Fair Ministry, Toy Store and the Belarussian Children Project. Missions work is a team effort, centered on a common purpose, to carry out the Great Commission for the WMU and the Brotherhood to BE His witnesses. All of the Ministry Development teams heeded this call during this period of time and accomplished much for advancing the kingdom of God.

Pastor Church Relations

This team initiated no conflict prevention training events during this period and no request was received for this team to assist churches in pastor/church conflicts.

Jack Gentry, Chair

Community Partnership

The Community Partnerships wants to give a helping hand in all areas of the community. We participated in C.H.A.N.G.E. an organization to help improve schools, youth programs, and health care.

We also have a program with the Battered Women's' Shelters to help dress these ladies to either enter into or re-enter into the work force.

The Dixie Classic Fair is an exciting event in our area. Before the fair begins we begin our work with the fair workers in setting up a stand to supply water, soft drinks, snacks and sandwiches. This ministry finds many persons who are lost and running from something or trying to find something.

Children and Christmas go hand in hand. The Baptist Toy Store likes to be able to show God's love by helping parents with Christmas toys for their families. These are people who do not have the money to provide not only toys for their families but also just the necessary things.

Cathy Deal, Chair

Mission Partnership

The Fair Ministry is a large reason this team functions...to minister to the Dixie-Classic Fair workers each year. During this period of time the team provided not only the physical needs of each worker but also their spiritual ones as well. It provide meals during the set up week of the fair, blankets/clothes and health kits (400) were distributed, a canteen was set up and manned daily to provide snack, water and soft drinks. This team also provided a ministry team who handed out tracks, Bibles (70 in English and 65 in Spanish) and listened to the workers as needed. The association also provides a medical/dental van to meet any needs of the workers. A total of 167 workers were treated. During this period a record number of Pilot Mountain Baptist Association churches participated in this event (74 with 234 volunteers.

Associational Missionary's Annual Report:

For several years I have entitled my annual report with the same title "As I See It..." that I used for my column in our newsletter, The Pilot. In these annual reports I have attempted to give my evaluation of...

- Staff relationships and individual growth...
- The association's present needs and future development...and...
- General health and well-being among the congregations...

Reflecting upon the year 2004-2005 between the 119th and the 120th Annual Sessions of the Pilot Mountain Baptist Association, it was a year of major transitions.

Staff relationships and individual growth...**Brenda Dean**, Administrative Assistant, did well in living into her role and responsibility and **David Coburn** functioned as Mission Money Manager for Central Triad Baptist Association [High Point] as well as the PMBA. Furthermore, he continued his function as elected leader in the association. I felt a significant loss when by friend and colleague, **Steve Kiser**, left to fill a position of larger responsibility out of the area. He has been an encouragement to me throughout his service through the PMBA. **Mike Keefe** was brought in to serve on an interim basis until it was decided what the configuration of the PMBA staff should be. **Dale Harlan**, Congregational Missionary, fulfilled a special assignment as interim pastor of the Center Grove Baptist Church. At the special request of that congregation and by special exception to the staff policies, the PMBA Personnel Committee allowed him to serve as interim pastor for the first three months of 2005. This rekindled his thinking about being the pastor-leader in a local congregation. **Karen Taylor**, Community Missionary, did an outstanding job of coordinating several mission and ministry projects across the association in spite of some serious health issues which was a concern to many. She continued to be an inspiration to the staff and to other associational leaders as well.

Within 2004-2005, I felt the need to identify July 31, 2005 as the date of my retirement. When I was elected as your missionary leader on October 18, 1983, I had no idea we would be together this long. And I said to many of the congregations in my farewell visit, "It was a ministry I could never have imagined at the beginning. And I would not have missed it for the world!"

The association's present needs and future development...As it happened, when the date of my retirement was publicized, a lot of the organizational development dealing with restructuring was stopped and the concern over the search process for a new missionary leader began. A Search Committee was formed and the selection process began. It is only natural to pause before continuing with any major changes until a new leader can be found and installed. A number of newly forming congregations came to the association during this year of "major transitions."

The general health and well-being among the congregations...Across the association there seemed to be a growing concern among several of the congregations. There was an uncertainty about the future direction of the PMBA as well as the Baptist State Convention. Some of this unrest was translated in a financial way as well as lack of participation on the part of many who had been deeply involved in mission and ministry projects in the past. The general atmosphere in the society at large seemed to be demonstrated in the atmosphere among some of the congregations. The decisions in next few years may describe the long term future of this association and the extended Baptist family.

As I leave the Pilot Mountain Baptist Association as your Associational Missionary, my hope in and for the future does not depend upon our abilities as a people to accomplish the task set before us. Our future depends upon our willingness to be sensitive to the call of God and our willingness to be obedient and faithful to God's Will and Purpose for our lives.

As our Quaker brothers and sisters might state it, "What is God's deepest yearning for your life?"

Think about it!

May God's Grace and Peace be with you now and in the future.

Jim Hamblen, Associational Missionary, retired

Congregational Development Report...

During the past year the Congregational Development ministry of the PMBA has been involved in facilitating the starting and development of new congregations as well as helping many existing congregations on their journey to health.

We have walked with pastors and congregations with mentoring and coaching in addition to consulting with them as they develop strategic plans for living into their full kingdom potential.

Another area of ministry for Congregational Development this past year was training pastor search teams as they begin to journey to find a pastor for their congregation. The interim period in a congregation is a prime time to help them discover who they are and where God is leading them in the future.

Helping declining and transitioning congregations is another area of ministry that was very active this past year.

There are three critical issues for the Church Development team in the coming year:

- mentoring/coaching ministers...especially emerging young ministers
- making a commitment to start and develop new congregations...especially predominately white congregations
- helping those transitioning and declining congregations that "desire" to change and connect with a disconnected community and developing a strategy to help congregations that choose to die...to die with dignity

Community Missionary Report

"If your church disappeared, would the community around it sag from lack of love?"

Bruce McLeod, a retired United Christ pastor said, *"If your church disappeared, would the community around it sag from lack of love?"* Jesus gave two direct commands: (1) "Love the Lord your God with all your heart, with all your soul and with all your mind," and (2) "Love your neighbor as yourself."

Of course we realize that loving our neighbor is integral to loving God. These two commandments are inseparable; however, as congregations we struggle with the reality of living out these two commandments in our own communities. As Community Missionary for PMBA, I am committed to helping congregations build their communities of faith by engaging in mission opportunities that reveal the spirit of generosity and compassionate care for individuals and families and by helping our congregations discover ways to improve the quality of life for those who need to see the "face" of Jesus.

Through the concern of congregations, individuals, and partnering with other faith-based organizations, the Community Ministries of PMBA has begun a grass roots movement to respond to the basic needs of low income families through congregational involvement in the local community. We recognize the fact that no single congregation has the resources to meet the needs, but that together we can help provide on-going support in our communities.

This year the Community Ministries of the Pilot Mountain Baptist Association have assisted numerous congregations to develop ministries to assist individuals and families with hunger needs, clothing, utilities, and even housing. Due to the efforts of individuals within PMBA congregations, 6 marginally homeless families were helped with housing needs, furniture, household items, linens, and groceries. By working with local agencies, congregations, and individuals, we have been able to provide employment for these families, additional schooling for two of the parents, and biblical counseling for three families.

I'm encouraged by the resilience and strength of our congregations as they seek ways to identify the needs and minister to the people living in the communities. Forsyth County is blessed with numerous non profit agencies networking to make this a better county for those living here. However, our congregations must do more than simply send their money to Crisis Control, Samaritan's Inn and Soup Kitchen, Bethesda Place, etc. We must be committed to loving our community ***to*** Jesus Christ. Professor Douglas Hare wrote this about love: "In an age when the word love is greatly abused, it is important to remember that the primary component of biblical love is not affection but commitment. Warm feelings of gratitude may fill our consciousness as we consider all that God has done for us. It is not warm feelings that God's commandment demands of us but rather stubborn, unwavering commitment. To love your neighbor is to imitate God by taking their needs seriously." Love involves commitment.

The good news is that we are not alone in doing the work of loving our neighbor. As an association we have one another. God works through us and through others to reveal His love. In 2005, as an Association of 90+ churches, we ministered to over 400 fair workers, impacted numerous communities through mission projects with MissionFEST/FamilyFEST, responded to disaster situations across the nation by sending over 40 disaster response teams, adopted 28 Katrina victim families, sent edu-paks to Haiti for school-age children, distributed 500+ English Bibles and 250+ Hispanic Bibles throughout the year, sent two tractor trailer loads of blankets, bed spreads and pillows, health kits, and devotional material to Louisiana, sent three tractor trailer loads of water to Mississippi for Katrina relief, provided toys for over 900 children during Christmas, distributed food boxes to 68 needy families, provided professional clothing for 57 single moms, helped place 6 marginally homeless families in living new living quarters, conducted two ESL classes, provided literacy materials for 30 high school students, and assisted with countless projects for the elderly and disadvantaged. No matter how large a church may be...no matter how small a church may be...alone we remain one voice...together we are many voices strong, carrying a message of hope and love from our Heavenly Father.

First Baptist Church, Clemmons, N.C (1866).

During 1863 Elder John A. Cornish began preaching at the old union meeting house, known as MuddyCreek in the southern part of Forsyth County, approximately three miles southeast of Clemmons. By February 3, 1866, ten charter members had come together to be organized into a church by Elders Cornish and Aaron Yarborough . They were named Muddy Creek. By 1874 the church had outgrown its meeting house and had decided to move to the village of Clemmonsville where a new church was built. In May of 1887 the church changed its name to Clemmonsville Baptist Church. The growing congregation needed a larger church building and plans began to be made in 1902 for new church building. Construction was completed about 1909. On September 2, 1962 the church changed its name to Clemmons Bapist Church. In 1965 the church began another building program with the ground-breaking ceremony for an interim sanctuary and educational building. The church is now know as First Baptist Church, Clemmons, N.C. Congregational Council Meeting
April 12, 2005

Nathan Parrish called the meeting to order at 7:01 p.m. Glendora Epperson made the motion to approve the minutes from the previous meeting; Barry Nelson seconded the motion.

ITEMS DISCUSSED:

LEADERSHIP DEVELOPMENT TEAMS:

Discipleship Development – Charles Martin reported that 12 children participated in the Bible Drills this year, representing 2 PMBA congregations.

Evangelism – There will be an Evangelistic Service following the Wart Hogs Game on July 24. Scott Dawson's Evangelistic Team will be bringing a "Safe at Home" message. The PMBA has agreed to promote this service.

Upper Room Prayer Group – Charles Martin reported that the Upper Room Prayer Group meets every Thursday to pray for revival in the churches of the PMBA. He encouraged any who might be interested to join the group at noon on Thursdays.

Church Development – Dale Harlan reported that he will be working through the Church Development Team, Mission Triad and, hopefully, two or three PMBA congregations to begin a new church start called North Start Community Church. Dale introduced Jon Smith, pastor of this new church start.

Jon Smith reported that this plant will be in the fastest growing area of the state of North Carolina. Many of the people in this area are looking for abundant life in the wrong places. He said that the only reason to start a new church is to reach the unchurched. The area for the new church plant is located south of I-40 and west of Highway 68 (Johnson Street and Skeet Road) – two major thorough fares

Paul Dean offered a prayer for Jon Smith and the new work, North Star Community Church.

Nolan Lawson made a motion for Congregational Council to give the Leadership Team the responsibility to approve the Mission Partnership Agreements. Paul Dean seconded the motion and it carried.

Bible Teaching/Reaching – Dot Harmon reported a very successful VBS Workshop at Old Town Baptist Church on February 26. There were at least 12 different curricula from various publishers for people to examine. Jo Bjorling and Kendra Loizou did a fantastic conference on Outreach for VBS.

Dot reported that she will be visiting a different PMBA congregation each month to determine what our congregations need from the BTR Team. She is in the process of developing a survey to use with Sunday School directors and is working with Brenda Dean, the PMBA administrative assistant, to develop a brochure for Bible Teaching/Reaching.

MINISTRIES DEVELOPMENT TEAMS:

Missions Partnership: Belarussian Children's Project – Joyce Love reported that the initial cost per child will be $1,050. Twenty children are coming here this summer from Belarus. Remember to pray for the children and host families.

Dale Harlan reported that the Haiti Partnership will be including collections of Edu Paks for Haiti children. There is no public school system in Haiti. Most of the schooling is done through religious organizations. As part of the effort to reach Haitian children for Jesus Christ, Missions Partnership Team is asking PMBA congregations to partner with New Directions International to collect school supplies for the children of Haiti. There will be a list of materials along with a supply of plastic bags. You can purchase items at

WalMart for $10 or less. Include $10 in each plastic bag so that NDI can purchase back packs, which will already contain a baseball cap and mug. Plastic bags can be delivered to the PMBA. We will then send them to Atlanta for shipping. Call Dale at the PMBA office if you have questions

Community Partnerships – Cathy Deal reminded everyone that it is not too early to begin collecting new toys for the Baptist Toy Store. She said that we are anticipating a record number of applicants this year. Cathy encouraged congregations to begin their collections and for people to volunteer to help with the Toy Store.

Ed Evans reported that the Fair Ministry Week will be September 26 – 29, from 9 a.m. – 9 p.m. Approximately 20 percent of the 450+ Fair Workers are Hispanics, which means that it is vital for translators to volunteer time. Volunteers will be needed to work in the canteen as well as with the medical/dental van. Last year approximately 137 fair workers were treated by doctors and dentists. Over 400 gift bags were give out to the fair workers.

WMU: MissionFEST/Family Fest – Karen Taylor reported that the MissionFEST event would take place July 16 – 21. This will be a Triad event, and we anticipate over 600 volunteers from outside the Triad area. We want to encourage everyone to register as soon as possible. Betty Lou Vontsolos is the PMBA Coordinator for this event. She is still working with area congregations as well as some community agencies to identify projects for MissionFEST/FamilyFEST.

ORGANIZATIONAL SUPPORT COMMITTEES:

Personnel – Mazie Bumgarner made a motion to hire Jim Hylton and Nathan Blake as summer interns for the PMBA this year. A large part of their responsibilities will be with MissionFEST. The motion carried.

Mazie reported that Steve Kiser had resigned to accept a full time position as director of Habitat for Humanity of Statesville. Jim Hamblen stated that this is wonderful opportunity for Steve.

Miki Keefe, a volunteer with the PMBA, was hired on a 90 day temporary basis to serve as the Ministry Assistant for Records. She will have a review after 90 days. This will probably remain a temp-to-hire position for several months as the Personnel Committee determines the needs of the associational office.

Annual Meeting – David Benton reported that the Annual Meeting Committee is making preparations for this year's Annual Meeting. It will be held July 26 at Clemmons FBC. There will be a Missions Fair and meal prior to the Annual Meeting. Jim Hamblen will be the Keynote Speaker, since this will be his last time addressing the Association-in-Session. Churches are encouraged to participate in the Missions Fair. Contact Brenda if you would like to have a display table.

Finance – Travis Rhodes reported that the PMBA is still behind in receipts according to projected budget needs. He encouraged PMBA congregations to remain faithful and to give more when possible to make up for the shortfall. He thanked those work teams who had made great efforts to keep expenses down without compromising the ministries offered by PMBA.

Search – Maurice Briggs reported that the Search Committee is still gathering information from the churches. He said that he did believe they were on target and will continue with much prayer. He thanked members of the Search Committee for their faithfulness and reported that the Committee were of one accord in this process.

Adjournment – Nathan Parrish offered praise for the work of the PMBA. He thanked the PMBA congregations for their continued support and faithfulness, reminding them that this is their Association. The meeting closed with prayer at 8:53 p.m.

SESSION 1 – REPORTS/ANNOUNCEMENTS

1. **MINUTES** – The minutes of the last meeting were approved by consensus.

3. **ANNUAL MEETING COMMITTEE** – David Bennett reported that the theme for the 2005 Annual Meeting will be "Continuing the Journey."

4. **COORDINATING COUNCIL** – Leadership Team was given the proposed Coordinating Council Agenda. Work unit leaders need to be contacted by Charles Martin and Joyce Love. The team leaders need to encourage all members of each work unit to attend the meeting at College Park on September 14.

5. **RELATIONSHIPS** – The Leadership Team was reminded that we need to communicate about the work of the PMBA at every opportunity.

6. **CORE VALUES & VISION STATEMENT** – Dale Harlan and David Benton was given the assignment at the last Leadership Team Meeting to flesh out these areas, remembering that the document is a "work in progress" and we will continue to refine it.

   Dale Harlan stated that "vision" is essential; however, it does not just "pop up." It comes through the discovery of core values.

   The Team was asked to define the strengths of the Pilot Mountain Baptist Association:
   - Pro-active teamwork
   - Diversity, unity, happy
   - Missionary spirit
   - World coming to us
   - Dedicated, hard-working
   - Strong heritage for our Foundation

   Churches need to realize that revisioning needs to take place every 3-5 years. If it does not, then the "maturity" stage of the life cycle will begin.

   Revisioning attributes that we, as an association, need to posses:
   - Servant of Jesus Christ
   - The lost
   - Listening to God
   - Seeking God's purpose
   - Availability
   - Perseverance
   - Spiritual maturity
   - Connecting with God in celebrating worship

- Growing in Christ-likeness
- Faithful discipleship
- Passing a Christian heritage to a younger generation.
- Revival
- Spiritual awakening
- Christian authenticity
- Sharing His love with others
- "Just do it"
- Open to new ideas
- Passion to pour ourselves into the younger generation
- Church for the future generations; making the church relevant for the future generations.

Common Denominations (Non Negotiable)

- Relating to God and spiritual formation
- Lifestyle Christians
- Focus on living out Christ's love for others
- Rediscover the body of Christ
- Worship as a lifestyle
- Building authentic relationships
- Innovation

OSRT -- Ty Talton spoke on behalf of the OSRT, a task force formed in 1998 to determine the PMBA purpose. As a result of the OSRT, Ty stated that the following questions should be asked periodically:

- Who are we as an Association of 85 congregations?
- What is an association?
- Who are we uniquely as PMBA?

As a result of this Task Force's first effort, a survey revealed that we were considered a "family" of Christian churches. The Task Force defined the mission of the Association as well as the core values. This document was always meant to be a "working document."

Revisiting Our History – Our Second Journey

- Defining our Faith foundations came about during our second journey.
- We wanted this to be a working document that would tell who we are and what we value.
- We saw "What we do" as our flexible part.
- We were trying to give some basic guidelines to define "who we are" and "what we do."
- We tried to state beliefs that were common
- Jim Hamblen was on sabbatical during the time of the Organizational Support Revisioning Team. The OSRT felt that the mission of the PMBA was to help our congregations by equipping their mission. We also wanted to nurture cooperation and to channel mission endeavors.

  Charlie Martin stressed that the final product, as a result of the OSRT, really did reflect input/output from the congregations as well as other entities. Charlie asked Ty how he envisioned this as a working document. Ty stated that OSRT decided that there needs to be a group to periodically look at the document and to determine if we are on course and if our values have changed. He stated that the Team had realized that there would be times when the PMBA needs to reflect on changes that might have taken place since the last update. Joyce Love added

(5) What would the PMBA look like if we begin living out our core values?

Nolan Lawson stated that we are not looking at producing an end result. It is about becoming aware of the core values we have established/stated. This is a process going beyond our Team to the congregations. This should become a guiding force behind the staff meetings and leadership meetings. We don't want to spend a lot of time hammering out the words. We need to get to the alignment. Part of the process is knowing we are headed in the right direction.

OTHER:

1. Travis Rhodes made the motion to approve the Interim Pastors Training on October 22 & 23 at the PMBA Resource Center. The motion was approved.

2. Prayer Concerns – Randy Starkey (loss of mother); Michael Pope (recalled to active duty); Wes Morgan (to begin chemo/radiation); Marissa (moved; seminary in light of father's condition); Maurice Briggs (loss of mother).

NEXT MEETING OF LEADERSHIP TEAM: Saturday, November 6, at South Fork Baptist Church, 9 AM – 3 PM. Focus of meeting: Continuation of Core Values Discovery and Vision Statement.

ADJOURNMENT – The meeting closed with prayer at 8:05 p.m.

PMBA Leadership Team Meeting
Saturday, November 6, 2004
South Fork Baptist Church

M I N U T E S

The Leadership Team Meeting was called to order by David Coburn at 9:05 a.m.

Present: David Benton, David Coburn, Jim Hamblen, Jim Hylton, Dale Harlan, Nolan Lawson, Joyce Love, Nathan Parrish, Charlie Martin, Travis Rhodes, Sandra Sewell, and Karen Taylor

Special Guests: Larry Doyle and Bonnie Edenfield (Piedmont)

Absent: Brenda Dean, Steve Kiser (?), Ivan Price, and John Woodard

1. **General --** The minutes were read and the date of Jim Hamblen's retirement was clarified as July 31, 2005. With that clarification, the minutes of the last meeting were approved by consensus.
2. **Vision**
   a) Search Committee -- Personnel Committee recommends that a separate Search Committee be charged with the task of bringing a recommendation to the Association regarding who should be called as the next Associational Missionary. They suggest that there be three members nominated by the Personnel Committee from among its membership, three members nominated by the Leadership Team from among its membership, and three members nominated by the Leadership Team from the Association at large. Most likely, these nominations would be presented to the Congregational Council meeting, January 11, 2005, for action.
      i) Nathan Parrish recommended the following from the Leadership Team:
         1. Charlie Martin
         2. Joyce Love
         3. Nolan Lawson
            (a) All were approved by consensus
      ii) The following were nominated for the at-large members from the Association
         1. Gallo Maldonado
         2. Reuben Gilliam
         3. Dot Harmon
            (b) All were approved by consensus
      iii) The moderator will present these names to the Congregational Council, a Search Committee will be approved to include nine people.
4. **Finance Report** – Year to date General Fund has a total of $10.00 net loss. At the end of October we had a positive checkbook balance and all bills were paid.
   • Finance Committee wants to expand from 8 to 12 members. Leadership Team does not object.

5. **Enlistment** – Needs one person to fill a term ending in 2008 and two people to fill terms ending in 2009.
   i) Will Watson, United, term ending 2008 (Travis Rhodes)
   ii) Clint Hartgrove, Quaker Gap, term ending 2009 (Dale Harlan)
   iii) Harold Cox, Crestview, term ending 2009 (Joyce Love)
6. **Affirmation** – After hearing that David Benton resigned as the pastor of Friends Baptist Church, the Leadership Team affirmed David Benton remaining on the Leadership Team and in all current positions in the Association. Karen led in prayer for David and the Father's will in his life.

b) Advancing the Kingdom – This session was begun by Larry Doyle reading Acts 16:36. Spoke of vision and values.

We watched a clip from the movie, "The Family Man," and discussed briefly. Jack did not like his life, he had to intentionally choose to make a change, not to accept defeat, to pursue a dream he had at one time rejected, decided to turn his back on his present life, and he found a connection to his past which made the dream real to him.

- He was confident and determined
- Humble and vulnerable
- Willingness to take a risk
- Emotionally connected with the decision he had made
- In the beginning he was willing to do what was expected
- Pivotal moment when he "turned"
- His life was not his own

- You cannot sell a vision that you've not bought
- Vision stimulate change
- Our vision comes from God

We separated into three groups and took a look at what we felt the PMBA would look like in the year 2015 and then as we listened to each group, we listed values that we heard expressed:

Group 1: Combining of 3 associations into one entity, urban emphasis, multi-cultural staff, change, institutional, organizational, ministry, contextual, unity, lifestyle, and diversity

Group 2: People, Faith in Jesus Christ, crossing over, sharing Christ through scripture, meeting physical needs, building relationships, responsibility, evangelism, diversity, variety, openness, family, discipleship, unity, working with other Christian denominations, and to mobilize

Group 3: Involvement in community, multi-cultural emphasis, missional/service oriented, scripture-based, cultural diversity, community ownership, innovation, stewardship, responsibility, relevance, stand firm in beliefs

We looked at common values: Community="common unity"

God's truth, discipleship (making followers of Christ), stewardship, innovation (flexibility, change, openness), community, mobilize, multi-cultural, diverse, servanthood, missions, ministry, Worship!!, celebration, sharing Jesus with people, and loving people

We stepped back and took a look at the things we are doing in the association and decided which of three categories they fell into, paying the rent, preserving the past, or creating the future.

Paying the Rent "have to do it"	Preserving the Past "always done it"	Creating the Future
Newsletter	Meetings Hold positions	Missions involvement Community
Jim: Administration Contacts Preparation		Karen: Meets w/people in planning ministry
Finance Committee		Dale: Search Comm. Core Values Bible Teaching Coaching Transition
		Goals: Heart Here!
40%	40%	20%

A vision is not something you write on a piece of paper or memorize, it is a memorable journey.

Clip from the movie, "Apollo 13," was shown

Abort a mission, create a new mission, "reinventing themselves," it's now time to do something different, failure is not an option, resources are limited, a narrow window of opportunity, skip what you don't need, innovation, never done it this way before, people's lives/souls are on the line, adapt as you go, extended lives affected, personal agendas put aside—superseded to a larger mission/purpose, redefine the mission, accept the death of one dream for another, people are more important than the mission, teamwork—depend on people around us—new arrival at interdependency, careful of what you are throwing away, leadership, impact goes beyond the local scene

Six areas to address, work teams to work on 1-5, #6 is for everyone.

1. **Prayer**: Renewal—Revival
    - Charlie Martin, Sandra Sewell, Karen Taylor, and Jim Hamblen
2. **Evaluation:** Core values versus what we are doing as association. Evaluation of what we are doing in light of priorities and values, stewardship of resources
    - David Benton, Nolan Lawson, Nathan Parrish, Travis Rhodes, and Dale Harlan
3. **Creating Ownership/Communication:** Create ownership of vision beyond the Leadership Team with People of Passion
    - Joyce Love, John Woodard, Brenda Dean, and Karen Taylor
4. **Leadership Development:**
    - Nolan Lawson, Charlie Martin, and Dale Harlan
5. **Communication with Passion (Develop Definitions):** Accurate, clear, know what you are communicating, flesh out meanings of these words and what this could look like.

(God's truth, Discipleship/Making Disciples or Followers of Christ, Stewardship, Innovation—change—openness, Community, Mobilize, Diversity, Sharing Jesus with others, Servanthood, Relevance, Celebration/Worship, Unity, and Loving People

- David Benton, Nolan Lawson, Nathan Parrish, Travis Rhodes, and Dale Harlan
- This is the same team as team #2, Karen proposed and all agreed.

6. **Define your metrics**—What are you measuring?
    - Everyone to work on this!

The next meeting will be Tuesday, February 15, 2005, 5:30 -7:30 pm with a sub supper.

Travis Rhodes closed in prayer.

TEAM SESSIONS

1. The group decided to stay together as a whole group with the small number of people present. Will further discuss the search process.
    - How do we maintain contact:
        - Encourage presence at associational events
        - Resource Center
            - Material
            - Information
            - If can't provide, know where to pull resources from
            - Maintain "in-touch" communication
            - Can't help churches if they don't ask for it
            - Unique team ability to reach out toward those reluctant

- Physical presence in the churches
- Realize that all churches have different needs

- The Association has to have a "draw"
  - What an the association do to show it's value
  - Mission Action, VBS Clinics, Youth Activities, etc.
  - There are lots of hurting ministers and pastors
  - Valuable to have someone they can talk to
  - Possible to network to provide benefits possibly with another church
  - Coordination of joint works, resources, training
  - Public Missions and Vision
  - Pastoral and Staff support
  - Congregational Development

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA
(July 2004-July 2005)

Celebrating our past. . .charting our future!. . . Baptist Children's Homes has set its sights courageously toward the future as it observes 120-historic-years of service. Since 1885 when 9-year-old Mary Presson was admitted as a child in care, Baptist Children's Homes has been a beacon and a haven to children. Baptist Children's Homes has touched thousands upon thousands of lives throughout three centuries, never afraid to meet the ever-changing needs of children and families, yet never wavering from its fundamental mission.

In the dawn of a new millennium, Baptist Children's Homes stands poised. BCH proudly charts an exciting pathway to the future through its new strategic plan: *GuidingStar. . . Illuminating the Lives of Children and Families.*

Lives are miraculously changed. Tears of boys and girls evaporate and hopeful smiles bloom. Through the remarkable efforts of North Carolina Baptists and the love and leadership of God, Baptist Children's Homes continues its mission of *helping hurting children. . . healing broken families* – offering the promise of a better tomorrow to those we serve now and in the years to come.

GuidingStar Defines Bold Path. . . After a year-long effort led by BCH President Michael C. Blackwell, Baptist Children's Homes launched *GuidingStar...Illuminating the Lives of Children and Families.* The new strategic plan was approved by the Trustees in their September 2004 meeting and was officially introduced in February of this year. Comprised of defined core values and determined focus, *GuidingStar* was created with essential input from all BCH staff. Blackwell's vision was to create a strategy that could be utilized for years to come.

Family Gathering II Celebrates 120 Years. . . "Family Gathering II" brought together all staff members and children from Baptist Children's Homes facilities statewide to celebrate the agency's 120th anniversary. The historic day was held on June 14, 2005, at Mills Home in Thomasville and was only the second time the entire "BCH family" has gathered at the same time and place. Everyone participated in a day of games, singing and a worship program in the campus church.

North Carolina Baptists "Roundup" Food For BCH. . . The "Food Roundup" was held in April 2005 for the second time in three years. North Carolina Baptists poured out their support by collecting, sorting and delivering essential food and supplies for all BCH's geographic areas. Associations reported church participation was high as Directors of Missions allowed their offices to become key collection points for donations. Volunteers donated their time to help sort and count the food.

Many Voices, One Story. . . .This year's Thanksgiving Offering theme, "There For Me" represents the pivotal role individuals play in the lives of hurting children. Baptist Children's Homes represents the outstretched hands of God, supported by North Carolina Baptists through their prayer and financial support. BCH staff lends their lives and their hearts daily to care for the physical, spiritual and emotional needs of boys and girls. Just as Jesus proclaims in the scriptures, "I will never leave you nor forsake you," dedicated friends have made the same promise to the children who walk through BCH's doors. It is only through North Carolina Baptists' support and commitment that BCH can continue to make a difference. This year's statewide Thanksgiving Offering goal is $1,350,000. This represents a $50,000 increase from last year. Challenge your church to participate in the 2005 Thanksgiving Offering.

Breaking New Ground. . . .Baptist Children's Homes continues to make a difference around the state. On September 26, 2004, BCH broke ground for two new Developmental Disabilities Ministry group homes in Zionville. "Joy Cove Ministries," the homes for adults with developmental disabilities, are currently under construction on the original Camp Joy property near Boone. . .Three BCH direct care staff became the first child care workers in the state to be professionally certified through the Children and Family Services Association - North Carolina. Two other staff members received certification to train additional child care workers for professional certification. . . Groundbreaking for the Alverta Bolick DDM group home in Asheville took place on November 30, 2004. The home is under construction. . .A "Laying the Foundation" ceremony on February 9, 2005 celebrated the building of the Harmony Home DDM residence in Dunn. The home was built in cooperation with Housing and Urban Development and Harnett County's Association for Retarded Citizens. . .The building of Kennedy Home's new education center was commemorated with a groundbreaking ceremony on July 3, 2005. In partnership with Lenoir County Schools, the facility will house the specialized education program serving Kennedy Home residents and other students from the community.

Biblical Recorder

2005 Report to the Associations

The *Biblical Recorder* exists to serve Baptists in North Carolina and beyond by providing regular, dependable and balanced news coverage of the most significant matters relating to Baptist life. In addition, the *Biblical Recorder* includes a variety of opinion pieces, supportive resources and feature articles designed to encourage and inspire as well as to inform.

The *Recorder* was founded in 1833. It was privately owned and operated for most of its history, though it enjoyed a close relationship with the Baptist State Convention. In 1939, it became a convention agency. As it has from its founding, the *Recorder* serves as the official news publication of the BSC, and seeks to serve the full spectrum of its churches.

The *Biblical Recorder* is widely acknowledged to be in the top echelon of state Baptist papers, winning national honors from the Baptist Communicator's Association every year since 2000, including the prestigious Burkhalter Award for news writing in 2001 and numerous first place awards for news and editorial writing, including two in both 2003 and 2004.

As many readers now prefer electronic media to traditional print formats, the *Biblical Recorder* has developed and maintains a popular and rapidly growing presence on the World Wide Web. Our Website, at www.biblicalrecorder.org, provides much of each paper's content online, as well as access to classified ads, online Bible study resources, and a portal to other news services. The site is updated frequently with breaking news items and other articles of interest.

The addition of a new "blog" or "weblog" by the editor at http://journal.biblicalrecorder.org provides an additional source of news and opinion, updated almost daily, that also provides an online community for dialogue and an opportunity for readers to post their own blogs or comments.

As a BSCNC agency, the *Biblical Recorder* receives annual support from Cooperative Missions Giving contributions, making it possible to offer the *Recorder* at subscription rates below the actual cost. Information packets and free three-month trial subscriptions are available. For more information, please contact:

2005 Annual Report

The Christian Action League of North Carolina is a Christian public policy organization that addresses public policy and legislative issues from a Christian worldview. The Christian Action League has a full-time presence in the General Assembly of North Carolina and has garnered considerable respect from both the Republican and Democratic parties. The League's purpose is to assist the church in fulfilling Christ's command to be the "salt" and the "light" of the earth. The following report contains highlights from this year's ministry.

Advancing Kingdom Principles

- In 2004, the North Carolina General Assembly passed legislation for a specialty license plate with the Nation's motto, "In God We Trust" and a yellow ribbon with the phrase, "Support Our Troops" on it. Three hundred applications were necessary to launch the plates. This year, CAL fulfilled its promise to help garner the applications needed. In fact, on October 10th, Rev. Mark Creech, Executive Director of the CAL, was the three hundredth person to make application.

- CAL provides critical information regarding social and moral issues via it's interactive website www.christianactionleague.net. The website seeks to keep the church abreast of the latest developments in the culture war – both from a national and statewide perspective. The website also provides educational materials, guest commentaries from some of the best columnists in North Carolina and a nationally syndicated editorial by CAL's Executive Director. Since June of 2003, CAL has had over 30,000 hits on it's website.

- Each week CAL publishes a "Weekly Email Issues Alert." This alert is essentially an Email Magazine, which is quite comprehensive in covering issues of moral import in the State legislature, politics, and other concerns. It covers matters of great social consequence to Judeo-Christian values in the following categories: N.C. General Assembly, N.C. Politics, N.C. News, U.S. Congress, Courts, Christianity/Pro-family/Religion, Abortion/Pro-Life, Alcohol/Drugs/Health, Education/Sex-Ed/Children, God and Country/National Security/ Politics, Pornography/Homosexuality/Immorality, and Gambling. Currently, over 2500 persons in North Carolina have subscribed to this service. Those interested in receiving the "Weekly Email Issues Alert" should go to CAL's website at www.christainactionleague.net and click on "Sign Up To Be A Beacon of Light."

- To promote Christian values in the home, church and the work place, CAL offers two beautiful prints of *The Ten Commandments* and *God's Covenant with America.* For a small donation, these prints can either be secured separately or together, simply as a print or framed. Those interested in the prints can view and acquire them via www.christianactionleague.net. Or by calling at 919.787.0606.

- Rev. Mark Creech, Executive Director of CAL, has advanced Christian principles throughout North Carolina and the nation in numerous speaking engagements that included denominational meetings, church worship services, political rallies, revival meetings, legislative chapel services, press conferences, conventions and seminars.

Lobbying Activity

- Whenever an urgent legislative issue arises in the General Assembly of North Carolina, CAL typically responds by sending out an "Urgent Action Alert." These alerts are designed not simply to inform Christians, but to mobilize them at the grassroots level. Their purpose is to get constituents to put pressure on their lawmakers to vote on legislation a certain way. CAL's "Urgent Action Alerts" have been responsible for the success and failure of a number of pieces of legislation considered by members of the N.C. House and Senate. Persons receiving the "Weekly Email Issues Alert" will also receive "Urgent Action Alerts."

- This year CAL worked tirelessly to get State legislators to approve legislation for a Constitutional Amendment that would ban same-sex marriage in the Tar Heel State. Rev. Mark Creech, CAL's Executive Director, lead in a Pastor's briefing at the General Assembly on the subject. He also spoke at a rally of hundreds of people at the Halifax Mall in support of the amendment. The North Carolina Family Policy Council hosted both meetings. Despite the fact two pieces of legislation, one in the House and one in the Senate, (**HB 55 – Defense of Marriage** and **SB 8 – Defense of Marriage**) were introduced that would have defined marriage as "one man and one woman" in North Carolina's Constitution, the House and Senate leadership would not allow either measure to be heard in Committee.

- CAL has also been at the forefront of a push for a Federal Marriage Amendment to the U.S. Constitution by North Carolinians.

- After successfully beating back lottery legislation for 23 years, CAL was unable to stop the passage of a lottery measure that succeeded by one vote in each chamber. This year's efforts by CAL to defeat lottery legislation were reported widely by the press. Reports noted Rev. Mark Creech was the last person in the line of defense against the lottery. Creech drove over 200 miles on the day of the Senate vote to visit with Sen. John Garwood (R-North Wilkesboro), who was at

home sick and the deciding vote on the measure. During that visit, CAL's Director convinced Sen. Garwood to pair his vote while absent from the General Assembly, keeping the lottery at bay with a one-vote margin of 25-24. But in the eleventh hour, influenced by the phone calls of high-powered legislative leaders and the myths of lottery promises, Sen. Garwood reversed his position to pair. The result was a 24 – 24 tie that Lieutenant Governor Beverly Perdue voted to break in favor of State-sponsored gambling. Governor Mike Easley wasted no time in signing **HB 1023 – North Carolina State Lottery Act** the very next day.

- CAL hosted a group of twenty-five pastors, who came from across the State, to hold a press conference and meet with members of the General Assembly. Their purpose was to voice their opposition to a state-lottery and explain the reasons it would produce negative social and economic consequences. Associate Pastor Phillip Addison from Stony Point Baptist Church in Stony Point, N.C. summarized the sentiments of all the Pastors when he said, "The State should definitely not be in the business of promoting covetousness and greed. America was founded on Judeo-Christian values and citizens have a responsibility to act when elected officials are promoting immoral legislation."

- CAL was successful this year in pushing back legislation that would have allowed pari-mutuel gambling on horse racing at the Carolina Horse Park in Hoke County. The legislation, **SB 9 – Economic Development Horse Race** was withdrawn from the Senate's Calendar twice and ultimately died in the Senate Commerce Committee.

- CAL continues to support legislation that would ban video poker in the State. This year, CAL lobbied for the passage of **SB 6 – Ban Video Poker/All But Reservations** and **HB 29,** the companion bill in the House. Neither of these bills saw any action and an identical provision included in the Senate version of the budget was stripped out by the House.

- Except for it's efforts to defeat the lottery, no battle was as tough as the one waged this year by CAL to prevent the alcohol content in beer from being raised from 6% to 15%. **HB 392 – Amend Definition of a Malt Beverage in ABC Law** passed the House by a large margin, 68 – 46. Rev. Mark Creech, CAL's Executive Director, did extensive research on the measure, pointing out its potential problems to lawmakers. He testified before two House Committees and one Senate Committee. After weeks of having to fight the measure single handedly, CAL's arguments convinced Sen. John Kerr (D-Pitt), Chairman of the Senate Finance Committee, to pull the bill off the Senate floor and refer it to the Senate Finance Committee for further study. The legislation remained in the Senate Finance Committee for two weeks and was never considered. Nevertheless, the Senate leadership instructed Sen. Kerr to place the bill back on the Senate floor for consideration. Kerr refused, but Sen. David Hoyle (D-Gaston), also a Finance Committee Chairman, placed the bill back on the Senate

floor and it passed 21-27. Rev. Creech pleaded with the Governor's office to veto the bill. Instead the Governor signed the legislation on August 13, 2005.

- CAL strongly opposed a measure to amend the alcoholic beverage control election law to allow towns or cities where a railroad passenger terminus exists to be eligible to hold malt beverage elections. CAL's Executive Director testified against **HB 1416 – An Act to Amend the Alcoholic Beverage Control Election Law** in both the House ABC Committee and the Senate Commerce Committee. Rev. Mark Creech argued CAL was very much in favor of local option alcohol referenda. However, the proposed legislation was unconstitutional because it was a local act (local bill) that sought to regulate the trade of alcohol that couldn't be applied statewide. Its application was meant for and limited to Dillsboro, North Carolina, a small town with approximately 200 persons. Unfortunately, the bill passed in the House 79 – 39 and in the Senate 33 – 16.

- This year's efforts by CAL to raise taxes on cigarettes were successful. On August 4, budget conferees reached an agreement on a cigarette tax increase that calls for a 25 cents increase (to 30 cents per pack) on September 1. An additional 5 cents increase (to a total tax of 35 cents per pack) will take effect July 1, 2007. CAL pushed for a 75 cents tax increase as proposed in **HB 286 – Increase Cigarette Tax.** However, 25 cents increase will result in a 5.2 percent decrease in the youth smoking rate in North Carolina and will save 33,800 kids alive today from a lifetime of smoking and disease.

- CAL was the only faith-organization opposed to legislation calling for a two- year moratorium on executions in North Carolina. In July, the House Judiciary I Committee approved a Proposed Committee Substitute for **HB 529 – Suspend Executions for Two Years** and changed its title to **Study Death Penalty.** The legislation supposedly was a compromise on the previously proposed death-penalty moratorium in North Carolina. Instead of calling for a blanket moratorium, the legislation essentially allowed for a condemned inmate to ask a trial court judge to postpone his execution until a study on the death penalty in North Carolina was concluded. In order to win a stay of execution, an inmate would have had to cite one of seven factors being examined by the death penalty study as affecting his/her own case. CAL's Executive Director, Rev. Mark Creech vigorously opposed the so-called compromise as well, saying it was deceptive. The problem with the measure, he told lawmakers, was it represented an "open season" on every death penalty case, no matter how carefully it had been decided in the courts. It was essentially a "de-facto moratorium." Proponents of the measure could never find enough votes in the House necessary for passage. The bill was withdrawn from the House Calendar three times and postponed four times. The legislation is eligible to be considered in 2006.

- CAL was rather ambivalent regarding legislation introduced by Sen. Julia Boseman (D-New Hanover) that would have banned obscene video games to minors. Rev. Mark Creech, CAL's Executive Director, testified before the Senate

Commerce Committee that he was supportive of the bill's concept. Nevertheless, he had been in contact with the American Family Association's Law Center and had been informed that the way the legislation was crafted it would never meet constitutional muster. Creech later explained he was reluctant to support **SB 2 – No Violent/Obscene Video Game Sales to Minors** for that reason. "I'm not sure it advances our cause for decency to support legislation that will likely fail in the courts," Creech told certain lawmakers. "That only makes such legislation more difficult to pass afterward," he said. The bill passed the Senate, but failed to make it through the House before adjournment. The legislation remains eligible for the 2006 session.

- CAL supported legislation that would have directed local boards of education to adopt policies to: (1) require the display of the U.S. and N.C. flags in all public school classrooms; (2) require the daily recitation of the Pledge of Allegiance; (3) provide for age-appropriate instruction on the meaning and historical significance of the U.S. flag and the Pledge of Allegiance and the values they represent, and (4) require instruction on the meaning and historical origins of the N.C. flag, the State motto and other State symbols. **SB 1096 – Flag, Pledge, and Symbols Taught in Schools** passed unanimously in the Senate, but was never considered by the House.

- A bill that would have permitted stem cell research under limited circumstances in North Carolina was heard in the House Health Committee, but was not acted upon. CAL's Executive Director testified against **HB 632 – Stem Cell Research Health and Wellness Act**, saying, "Certainly a society's moral compass is largely determined by its respect for the sanctity of human life. Every life is sacred, a precious and inviolable gift from our Creator, beginning at conception. It is one of the most profound signs of depravity in a culture when its government officials and leaders in the medical community sanction the practice of destroying pre-born life for the purpose of scientific experimentation."

- **HB 505 – WCR Study Sunday Hunting,** which CAL opposed this year, would have directed the North Carolina Wildlife Resources Committee to study whether the Sate should lift its ban on Sunday hunting. The bill passed a House Committee, but lost momentum and stalled in the House. The measure was ultimately included in **HB 1269 – The Studies Act of 2005,** which failed to pass the General Assembly before it adjourned.

- CAL supported **SB 972 – Break Into Place of Worship**, which was enacted by the Legislature this year. The bill creates a new Class G felony for "any person who wrongfully breaks or enters any building that is a place of religious worship with intent to commit any felony or larceny therein." The legislation was in response to a rash of break-ins and robberies in houses of worship across the State.

- One of the members of CAL's own Board of Directors serves in the N.C. House, Rep. Russel Capps (R-Wake). This year, Capps put forward two measures that CAL supported, one, which failed, and the other succeeded. **HB 681 – Religious Freedom Restoration Act** would have protected an individual's right to the free exercise of religion from intrusion by the government, unless government can demonstrate a compelling interest to do otherwise, and even then government must use the least restrictive means of furthering that interest. The legislation would have allowed persons who believe their religious freedoms are burdened to seek legal remedy and, if successful in court, to recover legal costs. The legislation was referred to the House Judiciary I Committee and was never taken up for consideration. However, **HB 829 – Display of Official Governmental Flags,** also introduced by Capps and supported by CAL, did succeed. Circumstances have arisen where flying the American flag or other governmental flags; have been prohibited by some towns, cities, and counties by certain ordinances. The legislation guarantees the flying of such flags on private property.

Local Option Alcohol Referenda

- In 2005, CAL assisted one community in their efforts to defeat an ABC, Beer-Wine, and Liquor-By-The-Drink referendum. Unfortunately, the effort was a loss (the referendum succeeded), but by small margins.

The Midland Alcohol Referendum Results
Total Ballots Cast: 776
FOR MALT BEVERAGE: 408
AGAINST MALT BEVERAGE: 362
FOR WINE: 403
AGAINST WINE: 365
FOR ABC STORE: 384
AGAINST ABC STORE: 381
FOR MIXED BEVERAGES: 400
AGAINST MIXED BEVERAGES: 366

At the time of this report, three alcohol referendums are pending in White Lake, Archdale, and Asheboro, North Carolina.

LINKING TOGETHER TO IMPACT THE WORLD

Like all institutions of higher learning, your Baptist colleges and universities - Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate provide education for their students. But what makes our Baptist colleges and universities unique is their mission.

Education with a mission is training and developing knowledge, skill, mind and character with a special purpose. This special purpose is to encourage and enable students to use expanded knowledge, enhanced skills, improved minds and enriched character to impact the world for good in keeping with their faith commitment to God through Jesus Christ.

Thanks to your support for Christian Higher Education the Baptist State Convention provided financial aid to 550 North Carolina Baptist students in the amount of $1,174,922 in 2004. These students received an average of $2,136. From Pilot Mountain Association 12 students received scholarship aid. These students came from the following churches: Calvary, College Park, Danbury, Kernersville First, Parkway and Pfafftown.

Without your assistance many of these deserving students would not have been able to attend a Baptist college or university. Thank you Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate for providing education with a Christian mission. And thank you Baptist churches for supporting North Carolina Baptist students. Together you are impacting the world for good and for God.

Office of GuideStone Financial Resources for the Baptist State Convention of NC

The name change from the Annuity Board of the Southern Baptist Convention to GuideStone Financial Resources, SBC, became official with action at the annual convention in Nashville, TN, in June of this year. With the name change comes a renewed effort from the national agency and the individual state conventions to service more effectively the needs of church employees relating to retirement, insurance, planning financial support, church and clergy tax issues, etc.

In an ongoing effort to provide a variety of insurance products priced competitively to meet the diverse needs of our constituency GuideStone continues to negotiate with insurance providers for the best price. Moving to Blue Cross/Blue Shield Highmark as the primary provider and to the Blue Cross/Blue Shield national network has saved millions of dollars this year for our churches and church employees. Unfortunately, pastors and employees of our smaller churches (less than 10 employees) are at the greatest disadvantage because of the requirement to prove evidence of good health in order to qualify for coverage. We continue to encourage new students in our divinity schools, Bible institute, and seminary to take advantage of the 31 day open enrollment period commiserate with their first time enrollment in one of these schools.

The need for retirement planning among our church employees continues to be a challenge which must be met through meaningful educational experiences. The most difficult task is getting the appropriate information to key decision makers in our churches---church treasurers, budget/finance committee members, personnel committees, deacon chairs, etc., who determine what retirement benefits, if any, the church will provide for their pastors and other church employees. Many of these key leaders are unaware of the protection benefits—disability and survivor—in the Church Annuity Plan which are **provided at no cost** to North Carolina retirement participants who meet the eligibility requirements. During calendar year 2004 964 disability checks totaling $459,166.09 and 15 survivor checks totaling $328,655.38 were sent to North Carolina church employees and their families.

Without question the most disturbing part of my work is the large numbers of pastors who come to retirement with social security as their only source of income. This is especially sad for those who have served our churches for many years and have little or **NO** retirement monies to rely on in their latter years. Presently, GuideStone is providing financial assistance on a monthly basis to 244 retired pastors and church employees here in North Carolina through the Adopt An Annuitant and Relief Ministries.

Finally, it is our desire to increase the level of retirement participation from 5,165 participants in 2,354 churches, which represents 61% of our NC churches as of June 30, 2005, and to serve all of our churches and their employees with the appropriate products to meet their needs.
